Amal **went** to her uncle's farm in the summer holidays.

Amal **helped** her cousin, Salma, in feeding the chickens. She **saw** the ducks swimming and the chickens running and eating the seeds quickly.

Amal and Salma **ran** together in the vast green fields.

Then, They played with their kites.

Amal's kite was big and

had a long tail.

Salma's kite was small and had a short tail. She was **holding** the thread of her kite tightly.

Amal **held** the thread of her kite strongly and it was cut. The kite **flew** far away Amal was sad.

Salma gave her kite to Amal so as not to be sad.

Amal was **happy.** They returned back home laughing happily.
